

Arguments/ Remarks

I. Status

Claims 1-43 are pending. Applicants have amended the claims to provide status identifiers as required by the United States Patent & Trademark Office. Applicants have additionally amended the claims to provide improved clarity and antecedent basis. All of the amendments are supported by the originally presented claims. No new matter has been added by any of the requested amendments.

II. Concluding Remarks

Applicants submit that the present response is complete and complies with the requirements of 35 U.S.C. §121. The Application is believed to be in condition for further Examination and early notice of favorable action is respectfully requested. Should the Examiner have any remaining questions regarding the subject invention or its patentability, Applicants encourage the Examiner to contact the undersigned to answer such questions or provide any desired additional information.

Respectfully Submitted,
